

Mary Humphreys and Anahata

Technical Spec

Summary

- 2 x instrument mics
- 1 vocal mic (Anahata, speech only)
- 3 XLR mic cables
- 2 chairs without arms

Layout

Details

Mary

- banjo uses microvox pickup. The battery box has an XLR connector for a mic cable. Phantom power tolerated but not needed.
- Vocals headset is Sennheiser UHF with XLR output on receiver.
- Concertina – AKG mics combined to single XLR feed. Phantom power tolerated but not needed.

Anahata

- Instrument mics on short boom stands L and R. Used for all squeezeboxes, will use L mic for cello too.
- Vocal mic for announcements only.

Monitoring

- ideally a monitor mix each. Not critical as high sound levels are not needed.
